Hello Andrew,

I understand the respective business teams have made some progress. While this process has elongated longer than expected and has been exasperated by finding two non-compliant applications outside the authorized U.S. territory, I am hopeful we will receive a substantive and reflective response on Monday as indicated by the Chubb business contact. In that regard, I am enclosing a draft framework agreement. It will require terms population based on the outcome of Monday's meeting.

I will follow up with you next week Tuesday latest. Thank you.

[Insert name of Fair Isaac Product]

2. SUPPORT AND MAINTENANCE SERVICES GENERALLY

2.1. Subject to payment of the appropriate Maintenance Fees by Client, and compliance by Client with the terms of this policy and the applicable license agreement, Fair Isaac shall provide Client with support and maintenance services for the Software as set forth in this policy.

2.2. Fair Isaac provides support and maintenance services for licensed Software during both implementation and production use when operated on supported platforms installed on designated or approved equipment, as set forth in the technical documentation for the Software. Support is currently provided in the English language only.

2.3. Subject to Article 5 (Exclusions), maintenance includes any standard Software versions and releases generally made available to Fair Isaac's customers that are current on Maintenance Fees. Those versions and releases will be provided to Client under this policy on an if-and-when-available basis.

3. TECHNICAL SUPPORT

3.1. Fair Isaac will make commercially reasonable efforts, during Product Support Hours, to address Client's questions about the Software, to resolve operating problems that are attributable to the Software, and to resolve verified, reproducible Errors in the Software.

3.2. Client agrees: (i) to set up primary and secondary liaisons who have been trained on the Software; (ii) that all support requests will be centralized through the primary and secondary liaisons; (iii) to use commercially reasonable efforts to diagnose and resolve problems in the operation of the Software prior to contacting Fair Isaac for support; (iv) to use commercially reasonable efforts to verify that reported problems are due to a malfunction of the Software, and not due to the operating system, hardware, data, interfaces, or improper use of the Software, prior to contacting Fair Isaac for support; and

(v) and to submit support requests to Fair Isaac Product Support through the designated contacts or other methods that Fair Isaac may provide.

4. TERM; TERMINATION; REINSTATEMENT

4.1. Fair Isaac's support and maintenance obligations under this policy commence upon shipment of the Software and will continue for an initial term of one year. Maintenance Fees will be invoiced on an annual basis in advance. For as long as Fair Isaac makes maintenance for the Software generally available to all of its customers, the support and maintenance service will automatically renew for consecutive one-year terms unless Client gives Fair Isaac 30 days' written notice, prior to the end of the current term, of its intent not to renew. Support and maintenance during renewal terms will be subject to the Support and Maintenance Policy in effect for the Software at the time of renewal. Maintenance Fees applicable to renewal terms may be increased by Fair Isaac, but no increase may exceed the most recently available annual change in the CPI. 4.2. Fair Isaac may terminate support and maintenance services under this policy upon at least 30 days' written notice if Client is in breach under this policy or any license agreement relating to the Software and does not cure the breach before the end of the notice period. Fair Isaac will have no obligation to resume support and maintenance services following a termination for cause under this section.

4.3. Fair Isaac may, at its sole discretion, reinstate lapsed or terminated support and maintenance services, in accordance with its then-current policies, upon payment by Client of the applicable reinstatement fee.

5. EXCLUSIONS

5.1. Services outside the scope of this policy are subject to availability of resources and will be charged for separately at Fair Isaac's then-current rates for those services. The following are outside the scope of this policy:
